## ADMISTRATIVE AREA

### **WELCOME CENTRE TO ENHANCE VISITOR EXPERIENCE AND ADMISSIONS SUPPORT**

Sri Venkateshwara College of Engineering (SVCE), Bengaluru, has recently inaugurated its state-of-the-art Welcome Centre, a dedicated space designed to serve as the primary hub for all campus entry operations and admission-related activities. This modern facility stands as the first point of contact for new aspirants, parents, distinguished guests, and industrial experts visiting the institution, ensuring they receive a warm, professional, and well-organised reception.

The core purpose of the Welcome Centre is to provide detailed guidance and support for all admission-related queries and processes. From initial counselling sessions to sharing comprehensive program details, the centre aims to make the journey of prospective students seamless and informative.

Equipped with latest infrastructure and modern amenities, the Welcome Centre features:

- Private discussion cabins to facilitate one-on-one interactions with prospective students and parents.
- Advanced projector displays and a theatre-style ambiance to showcase institutional videos, achievements, and campus highlights.
- Contemporary architectural design that blends aesthetics with functionality, creating an atmosphere of positive energy and openness.

The facility has been strategically designed not only as an information hub but also as an experience centre, where visitors can get a true sense of SVCE's academic excellence, campus life, and industry connections. Every aspect — from furniture layout to lighting — has been carefully planned to make guests feel comfortable and valued from the moment they step in.

By centralising all admissions and visitor engagement operations in one place, SVCE ensures greater efficiency, improved communication, and a memorable first impression. The Welcome Centre reflects the institution's commitment to student-focused services, transparency in processes, and a culture of hospitality that resonates with SVCE's values.

vii. **Barrier Free Built Environment for disabled and elderly persons**

## **BARRIER FREE BUILT ENVIRONMENT FOR DISABLED AND ELDERLY PERSONS**

Sri Venkateshwara College of Engineering (SVCE), Bengaluru is committed to creating a **barrier-free and inclusive campus** in alignment with **AICTE, UGC and VTU** norms. The institution has established **latest, fully equipped accessibility facilities** in both the **Main Building** and the **Annex Building** to ensure equal opportunities and ease of movement for physically challenged students and staff.

Key facilities include:

**Campus-wide Ramp Access:**

- All entry points across academic blocks, administrative areas, hostels, and amenities are equipped with gentle-gradient ramps for safe and independent access.

**Wheelchair Support:**

- A dedicated wheelchair is available to assist movement within the campus, ensuring mobility across academic spaces, offices, and common areas.

**Barrier-Free Environment:**

- Wide doorways, unobstructed corridors, and slip-resistant surfaces facilitate easy navigation for persons with disabilities.

**Common Rooms:**

- Comfortable, accessible common rooms are provided in academic buildings for rest, relaxation, and personal space.

**Accessible Toilets:**

- Specially designed toilet facilities for physically challenged persons are available in both the Main and Annex Buildings, equipped with handrails, support bars, and adequate maneuvering space.

Through these measures, SVCE, Bengaluru ensures that every member of the campus community can participate fully in academic, examination, administrative, and co-curricular activities without physical barriers.

## FIRE SAFETY ENVIRONMENT CAMPUS

In accordance with the safety requirements prescribed by statutory and regulatory bodies such as the **All India Council for Technical Education (AICTE)**, **Visvesvaraya Technological University (VTU)**, and the **National Building Code of India (NBC)**, Sri Venkateshwara College of Engineering (SVCE), Bengaluru, has successfully installed a **25,000-litre capacity water tank** at the rooftop of the main building as a critical component of its fire safety infrastructure.

This central tank is directly connected to a network of fire exit hose pipes strategically placed across all floors, with a **single, central activation point** enabling the entire system to be operational within seconds in case of an emergency. Every floor is equipped with **clearly marked exit points, hydrant outlets, and accessible hose connections**, ensuring immediate availability of water supply for fire suppression.

The installation fully complies with **fire prevention, protection, and evacuation measures** mandated for higher educational institutions, thereby safeguarding the lives of students, faculty, staff, and visitors. This initiative reflects SVCE's commitment to maintaining the highest standards of campus safety and readiness, as envisioned by the statutory authorities governing technical education.

## GREEN INITIATIVE & ECO-FRIENDLY CAMPUS

Sri Venkateshwara College of Engineering (SVCE), Bengaluru has implemented a comprehensive green infrastructure in line with AICTE, VTU, and National Green Campus norms.

### Solar Energy:

- A **440 KVA rooftop solar power system** is installed across the main and annex buildings, meeting the entire campus energy demand and exporting surplus power to the state grid.

### Water Management:

- A **10,000 KLD Water Treatment Plant** ensures safe, potable water for all academic, residential, and service areas.
- A **Sewage Treatment Plant** treats wastewater for reuse in landscaping and flushing, supported by 65 **rainwater harvesting and recharge wells** and used pervious blocks to replenish groundwater.

### Waste Management:

- Dustbins are placed across **offices, classrooms, corridors, cafeteria, hostels, laboratories, and all amenities** for dry/wet segregation.
- Organic waste is composted, and recyclables/e-waste are disposed of through authorized vendors.

### Green Campus:

- Extensive native landscaping, and regular plantation drives maintain a clean, healthy, and eco-friendly environment for students, staff, and visitors.

This integrated approach reflects SVCE's commitment to sustainability, resource efficiency, and environmental responsibility.

The Campus is provided with state-of-art infrastructure for both education and sports.

The games like

Basketball, Throw ball, Volleyball, Badminton,

Ping-Pong, Lawn Tennis, Hand ball, Softball,

Cricket, Football,

Chess, Carom, Athletics and self-protection and trendy games;

Kho-Kho, Kabbadi, etc. underneath the standard sport activities of India are conducted.

- **Internal Continuous Evaluation System and place**

The college adheres to academic calendar provided by Visvesvaraya Technological University (VTU), Belagavi. Based on this academic calendar, the institution prepares the academic calendar/ Calendar of Events which includes the dates of commencement, completion of syllabus, schedule of internal exams, Working days, teaching days, internals marks submission, seminars, guest lectures, workshops, industrial visits, holidays, dates of semester end examination etc.

As per the academic calendar and guidelines of the University, Timetable is prepared by senior faculty and after approval from respective Heads of the department & Principal it will be circulated to all the faculty members and students before commencement of the semester.

Internal Assessments are conducted as per the calendar of events. For implementation of Internal Assessment Process, Examination committee is formed at college level which monitor overall internal assessment process. Continuous Internal Assessment review is taken by the Principal regularly. In addition, IQAC team conduct internal audit to verify the compliance to academic calendar/ calendar of events with documentary evidence.

FB09	Willingness to offer help and advice to students.	

**Student Feedback of Teaching Learning Process and Actions Taken:**

**Student Feedback:**

The Student feedback is taken in online through google forms 3 times in a semester; at the beginning, mid-term and at the end of the semester feedback is conducted. It is based on teaching learning process.

In the beginning of semester based on the subject preferential matrix and the skill set of the faculty all the faculty will be assigned with their expertise subject and domain. The programme coordinator and department academic committee keep a close view of the performance of the faculty members. After the duration of two weeks the initial feedback is taken for individual subject, and a proper analysis will be carried out. Based on the feedback of the faculty in their respective subjects, the program coordinator and the academic members will suggest the necessary improvements to be carried out if the feedback of faculty drops down beyond a certain limit. Further, the faculty will be sent for induction programs, seminars, workshops and faculty development program to give their best for the teaching learning process.

After the duration of two months from the beginning of semester the close observation will be carried out for the faculty members regarding their feedback and analysis will be done. So, based on their performance, faculty members will be motivated to improve further and communicate in the best manner to students.

At the end of semester, the final analysis of the feedback will be carried out and based on the observation of programme coordinator and department academic committee members will suggest and closely monitor the required improvements to be carried out. The faculty members will be encouraged to enhance their knowledge in their respective domain by motivating them to carry out the research activity and publish their manuscript in reputed journals and conferences. The below figure shows the template of the student midterm and final feedback.

## WORLD ENVIRONMENT DAY

### World Environment Day 2025 — SVCE, Bengaluru

On **5th June 2025**, Sri Venkateshwara College of Engineering (SVCE), Bengaluru, celebrated **World Environment Day** with a strong focus on community engagement and environmental stewardship. Organised by the **NSS Team**, the program saw wholehearted participation from students of all academic streams, who worked together to promote cleanliness, hygiene, and health awareness in nearby rural villages.

As part of the initiative, students were divided into multiple teams and undertook the following activities:

#### **Clean-up Drive & Waste Segregation:**

- Collection of garbage from public areas, followed by **segregation into biodegradable and non-biodegradable waste** in line with Swachh Bharat Mission guidelines.

#### **Awareness Rally:**

- A march through the village streets to spread messages on **regular cleanliness, waste disposal, and community hygiene**.

#### **School Outreach:**

- Interaction sessions in local schools to encourage hygiene practices among students, with special emphasis on **safety, security, and personal health for girl students**.

#### **Water Safety & Health Awareness:**

- Villagers were trained on identifying and preventing **water contamination**, safe water storage practices, and the importance of boiling or filtering drinking water. Awareness sessions were also conducted on **vector-borne diseases such as dengue and malaria**, highlighting mosquito control measures, proper waste disposal, and elimination of stagnant water sources.

#### **General Health Education:**

- Discussions on the link between polluted water and diseases like cholera, typhoid, and gastroenteritis, along with preventive steps to ensure a healthier community.

Through these activities, the NSS team not only contributed to environmental cleanliness but also addressed **public health concerns** by educating communities on **preventive healthcare and sanitation practices**. This initiative underscores SVCE's commitment to sustainability, social responsibility, and the well-being of the wider community.

### **International Yoga Day 2025 — SVCE, Bengaluru**

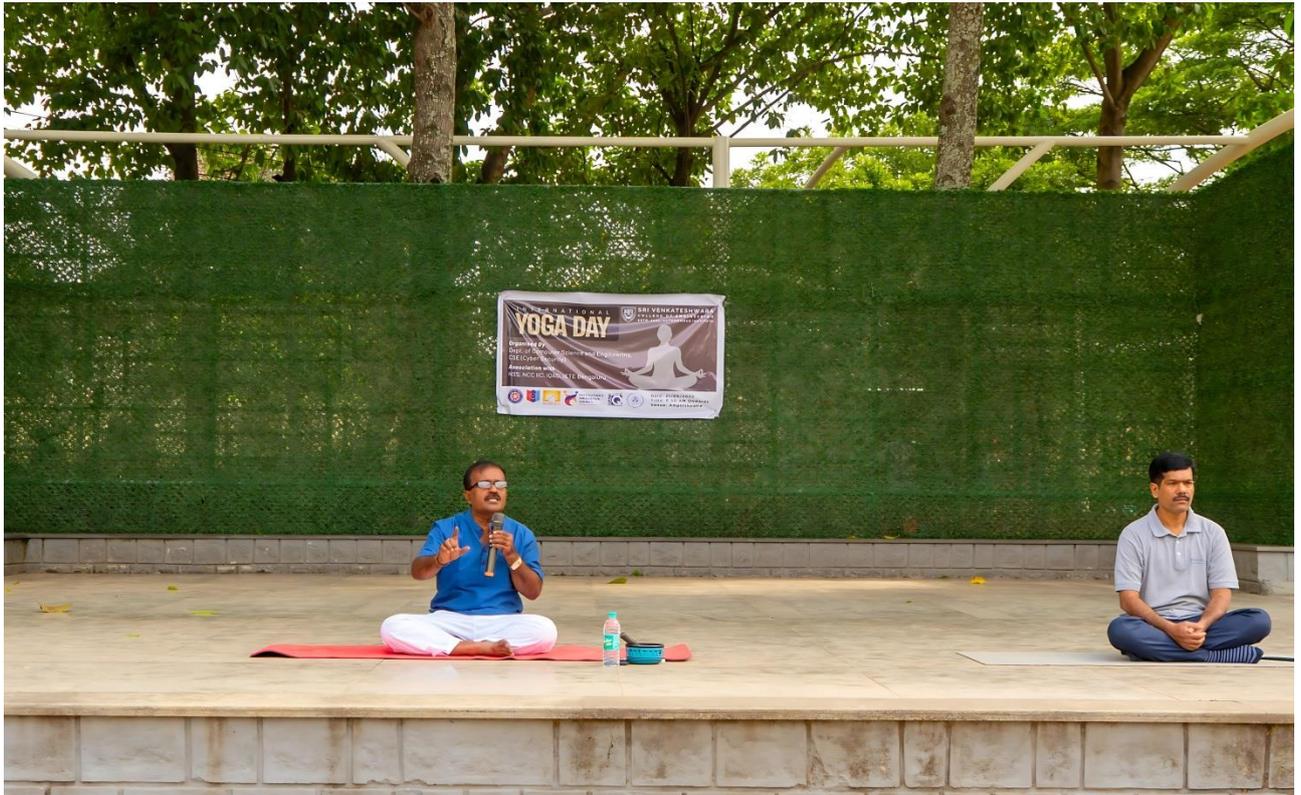

On **21st June 2025**, Sri Venkateshwara College of Engineering (SVCE), Bengaluru, celebrated **International Yoga Day** with great enthusiasm and active participation from both students and staff. The event was organised by the **Department of Computer Science and Engineering & CSE (Cyber Security)** in association with **Institution’s Innovation Council (IIC)**, **IQAC**, and **IETE Bengaluru**. The session was conducted in the **Amphitheatre** from 8:30 AM onwards, led by **Sri V. Raveendra**, an experienced Yoga Coach and Reiki Healer, and Founder of “Yoga Dheevige Jeeva Chaithanya.”

The program aimed to promote physical fitness, mental well-being, and holistic health through traditional Yoga practices. Participants engaged in a variety of **asanas, pranayama, and meditation techniques**, gaining hands-on experience in improving flexibility, strength, concentration, and emotional balance.

#### **Key Advantages & Benefits:**

- **Physical Health:** Improved posture, flexibility, muscle tone, and stamina.
- **Mental Wellness:** Reduction in stress, anxiety, and mental fatigue; enhanced focus and clarity of thought.
- **Emotional Stability:** Better emotional control and increased positive energy.
- **Preventive Health:** Boosted immunity and reduced risk of lifestyle-related ailments.

This initiative witnessed **overwhelming participation from faculty and students**, reflecting the campus community’s commitment to health and wellness. **Yoga sessions are regularly conducted at SVCE** as part of its ongoing wellness programs, reinforcing the belief that a sound mind and a healthy body are essential for academic and professional success.

### **National Youth Day at SVCE, Bengaluru – Inspiring the Young Minds for Nation Building**

In January 2025, Sri Venkateshwara College of Engineering, Bengaluru, proudly celebrated **National Youth Day** to honour the birth anniversary of **Swami Vivekananda**, whose ideals and vision continue to inspire generations. The event was organised with the purpose of awakening the **spirit of responsibility, self-development, and national contribution** among today's youth.

The session was graced by an eminent **Resource Person**, Mr. B. Suresh Gowda, an Advocate by profession and a Motivation Speaker whose **dynamic and thought-provoking address set every participant's mind on fire** with ideas, self-reflection, and a renewed sense of purpose. The talk focused on **the nation's expectations from the current young generation**, urging them to align their skills, creativity, and energy with the country's developmental needs.

A critical discussion was held on **the actual problems the present youth are facing** in the modern era — particularly the **impact and influence of social media**. The speaker highlighted how excessive digital consumption, misinformation, and misplaced priorities can drain productivity, weaken focus, and hinder personal growth. At the same time, the session encouraged students to use technology as a tool for learning, networking, and meaningful contribution rather than as a source of distraction.

One of the most powerful segments of the event was the **tribute to the spirit of Swami Vivekananda**. Through impactful storytelling and real-life examples, the Resource Person emphasised Swamiji's values of **discipline, courage, self-reliance, and service to humanity**, inspiring the audience to think deeply about their **own role in the nation's progress**. Students were urged to focus on self-empowerment, character building, and working towards solutions that address societal challenges.

The event concluded with an open interaction, where students enthusiastically shared their thoughts, questions, and commitments to contribute positively to their communities and the nation at large. The celebration not only paid homage to one of India's greatest spiritual leaders but also served as a **call to action for the youth to be the driving force of transformation**.

## **National Science Day Program at SVCE, Bengaluru**

On the occasion of **National Science Day**, the **Department of CSE–AI** of Sri Venkateshwara College of Engineering, Bengaluru, in association with **The Institution of Electronics and Telecommunication Engineers (IETE)**, **Institution’s Innovation Council (IIC)**, and **Internal Quality Assurance Cell (IQAC)**, successfully organised a **Sir C. V. Raman Memorial Lecture** titled “*Catering Astronomical Observatories at Ground and in Space*” on **28th February 2025** at the SVCE Auditorium.

The program was **sponsored by IETE, Bengaluru**, and aimed at spreading scientific awareness and inspiring students to explore advanced domains of astronomy, space research, and observatory technologies. The event was presided over by **Dr. Shashidhar Muniyappa**, Managing Director – SVEF & IIC President, and **Dr. B. M. Satish**, Principal & IIC Vice President, SVCE, Bengaluru. The delegates from IETE, Bengaluru Dr. C V Ravishankar, Chairman, IETE, Bengaluru Section, Mr. Ramesh, and Mr. Satyanandan GC Members, IETE, Delhi.

The invited **Resource Person, Shri Amit Kumar**, Head of the Electronics Division, Indian Institute of Astrophysics, Bengaluru, delivered an engaging and insightful lecture. He explained the evolution, design, and working of astronomical observatories, both on the ground and in space, and shared his vast research experience. He also interacted with all the participating students, addressing their questions and motivating them to pursue careers in space science, electronics, and research-driven technologies.

The session witnessed active participation from students and faculty, fostering a spirit of scientific curiosity and innovation. The event served as a platform to commemorate the contributions of **Sir C. V. Raman** and to encourage the younger generation to contribute to India’s progress in science and technology.

The Program also witnessed and felicitated the best performing students in various activities like Science Quiz, Debate on the latest technologies, Poster presentation, Paper presentation conducted prior to the day on the occasion of National Science Day.

## **InnovateX Prototype Showcase – National Science Day Celebration at SVCE, Bengaluru**

On the occasion of **National Science Day**, the **Department of Computer Science & Engineering (Artificial Intelligence)** at Sri Venkateshwara College of Engineering, Bengaluru, successfully organised an **Intercollege Event – InnovateX Prototype Showcase on 27th February 2025**. The event was conducted in association with the **GitHub Club, Institution of Electronics and Telecommunication Engineers (IETE), Bengaluru, and the Institution’s Innovation Council (IIC) of SVCE**.

This program served as a **dynamic platform for innovation, collaboration, and knowledge sharing**, bringing together enthusiastic students from various colleges and institutions. Participants came prepared with **technical presentations and working prototypes**, showcasing creative solutions to **emerging real-world challenges**. The event emphasized **team spirit, problem-solving skills, and innovative thinking**, encouraging young minds to address futuristic technological needs and societal problems.

The session was **technically sponsored by IETE, Bengaluru**, ensuring that participants benefited from an industry-aligned and expert-driven evaluation process. Diverse projects were presented, covering areas such as **artificial intelligence applications, sustainable engineering solutions, IoT-based innovations, and cutting-edge automation concepts**.

The event was presided over by **Dr. Shashidhar Muniyappa**, Managing Director – SVEF & IIC President, and **Dr. B. M. Satish**, Principal & IIC Vice President, SVCE, Bengaluru. Both dignitaries appreciated the creativity, technical expertise, and collaborative approach displayed by the student community.

The **InnovateX Prototype Showcase** not only celebrated the spirit of **Sir C. V. Raman’s contributions to science** but also provided participants with an invaluable opportunity to enhance their **presentation skills, teamwork, and technical acumen**. It stood as a testament to SVCE’s commitment towards **nurturing innovation, fostering research culture, and preparing students to address future global challenges**.

On the auspicious occasion of **National Science Day**, the **Departments of Basic Science, Computer Science & Engineering (Data Science), Information Science & Engineering, and**

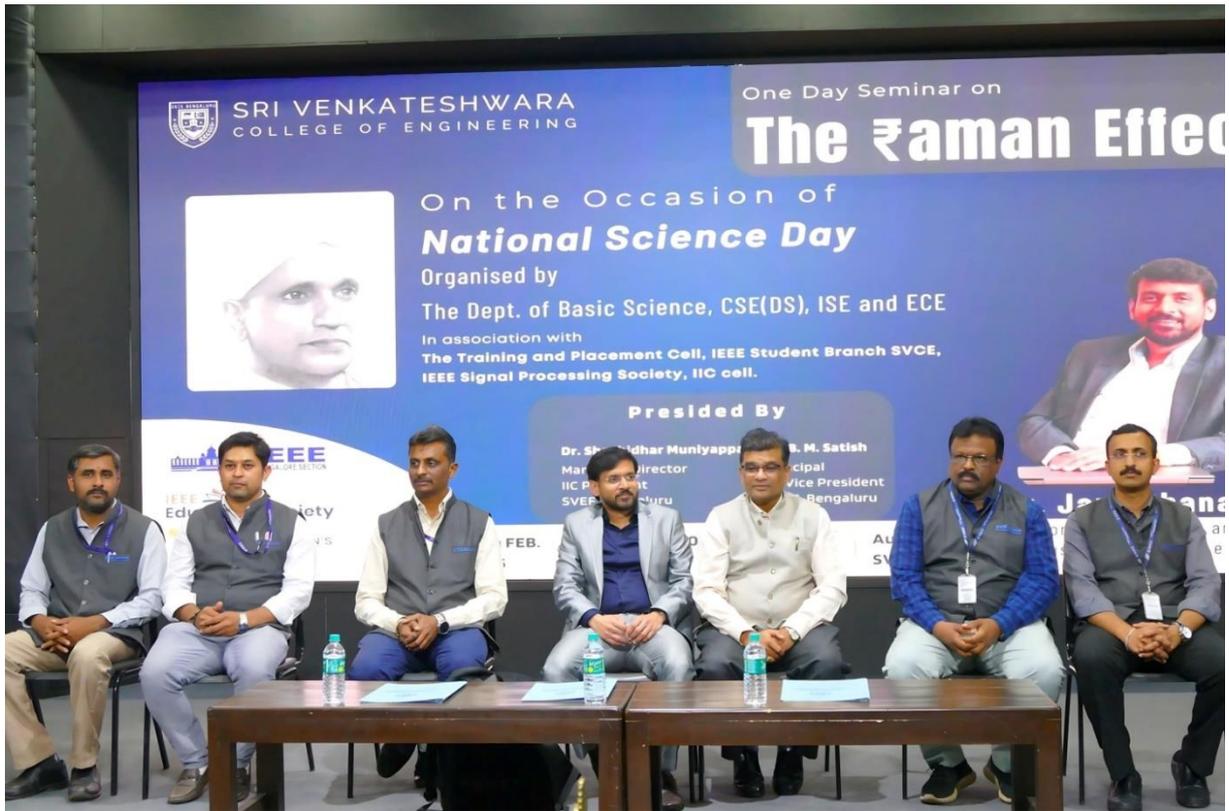

**Electronics & Communication Engineering** at Sri Venkateshwara College of Engineering, Bengaluru, jointly organised a series of impactful events to commemorate the life and contributions of **Sir C. V. Raman** and to inspire scientific temperament among students.

The celebration featured a **One-Day Seminar on “The Raman Effect”** in association with the **Training and Placement Cell, IEEE Student Branch SVCE, IEEE Signal Processing Society, IETE, and the Institution’s Innovation Council (IIC)**. The program was presided over by **Dr. Shashidhar Muniyappa**, Managing Director – SVEF & IIC President, and **Dr. B. M. Satish**, Principal & IIC Vice President, SVCE, Bengaluru.

A key highlight of the seminar was the address by **Mr. Janarthanan S.**, Senior Vice President and Head – Customer Success, **eMudhra**, who engaged with all participants through an insightful and interactive session. He elaborated on **the process, applications, and benefits of digitalisation** driven by eMudhra, focusing on secure digital identities, electronic signatures, and the transformation of governance and business processes through advanced technology. His talk connected the principles of science with the evolving digital ecosystem, motivating students to adapt to technological advancements.

In addition to the seminar, the National Science Day celebrations also included **student-centric activities** such as a **Technical Quiz** and **Group Discussion** sessions. These activities encouraged students to **explore the history, significance, and scientific essence of National Science Day**, while also enhancing their technical knowledge, communication skills, and team spirit. The quiz tested participants’ awareness of scientific discoveries and their relevance in modern times, whereas the group discussions enabled open exchange of ideas, fostering analytical thinking and collaborative problem-solving.

The event successfully combined **knowledge dissemination, interactive learning, and skill development**, ensuring that participants gained both scientific awareness and practical insights. The celebrations reflected SVCE’s commitment to **promoting innovation, research culture, and technological competence** among its student community, in line with the vision of building a scientifically empowered nation.

On **8th January 2025**, Sri Venkateshwara College of Engineering, Bengaluru, through its **Institution’s Innovation Council (IIC)** and **Student Welfare Committee**, in association with the **Internal Quality Assurance Cell (IQAC)**, successfully organised a vibrant cultural program aimed at **imparting the importance of Indian heritage and traditions** among students. The program was **initiated by SPIC MACAY (Society for the Promotion of Indian Classical Music and Culture Amongst Youth), India**, as part of its mission to preserve and promote Indian classical art forms among the younger generation.

The highlight of the event was the graceful **Odissi dance performance by Smt. Madhulita Mohapatra**, a renowned exponent of the classical dance form, accompanied by her talented team – **Ratik Patra** (Vocal), **Soubhagya Narayan Chhotaray** (Pakhawaj), and **Jagabandhu Naik** (Violin). Their captivating presentation beautifully narrated the depth, elegance, and spiritual essence of Odissi, leaving the audience mesmerised.

Beyond the performance, the guest artist also engaged directly with the student participants, **providing a brief hands-on training session** on the nuances of Odissi dance. This interactive element not only showcased the technical aspects of the art form but also ignited curiosity, respect, and enthusiasm among students to explore India’s rich cultural heritage.

The session fostered a sense of pride in India’s artistic legacy while promoting values of discipline, expression, and cultural awareness. The audience, comprising students and faculty, expressed their admiration for the immersive experience, which blended entertainment with learning.

Special appreciation goes to the **organising team of IIC, Student Welfare Committee, and IQAC** for their **dedicated volunteer efforts**, meticulous coordination, and commitment, which ensured the **successful execution** of this memorable program. Their teamwork and passion played a pivotal role in delivering an event that inspired and thrilled all participants.

## INTERNATIONAL WOMENS DAY BY SVCE WOMEN WELFARE COMMUNITY

On the occasion of **International Women’s Day** (13th March 2025), Sri Venkateshwara College of Engineering (SVCE), Bengaluru, hosted an insightful seminar titled “**From Campus to Career: Why PoSH Law Matters**” in the SVCE Auditorium. The session was graced by **Ms. Anubha Srivastava**, an accomplished lawyer specializing in legal advisory and litigation, who served as the keynote speaker.

The seminar aimed to create awareness about the **Prevention of Sexual Harassment (PoSH) Act, 2013**, its relevance in both academic and professional environments, and its role in safeguarding the dignity and rights of women. Ms. Srivastava shared her legal expertise, explaining the legal framework, complaint mechanisms, and responsibilities of institutions and employers in ensuring a safe, respectful, and inclusive environment.

### **Key Benefits of the Program:**

- **Legal Awareness:** Empowered women students and staff with a clear understanding of their rights under PoSH Law and how to exercise them.
- **Confidence Building:** Encouraged women to speak up against harassment and discriminatory practices without fear.
- **Workplace Readiness:** Prepared graduating students to recognize, address, and prevent harassment in their future workplaces.
- **Safe Campus Culture:** Reinforced SVCE’s commitment to fostering a safe, equitable, and supportive learning environment for all.
- **Empowerment Through Knowledge:** Equipped the entire women community—students, faculty, and staff—with actionable knowledge to uphold dignity and equality in every sphere of life.

This program reaffirmed SVCE’s dedication to **women’s empowerment, gender equality, and the creation of safe academic and professional spaces**, aligning with national legal mandates and the institution’s core values.

On **19th February 2025**, the **Women Welfare and Empowerment Committee** of Sri Venkateshwara College of Engineering (SVCE), Bengaluru, in association with **Cytecure Hospitals, Bengaluru**, organised an impactful seminar titled **“Making Cancer Awareness Effective: Problem-Solution Fit & Market Readiness.”** The session was technically sponsored by the **Institution of Electronics and Telecommunication Engineers (IETE), IEEE Bengaluru, IIC, and IQAC.**

The seminar was addressed by **Dr. Sharath Kote G S**, Consultant – Medical Gastroenterology, Hepatology, and Nutrition, Cytecure Hospitals, who delivered an in-depth presentation on the prevention, early detection, diagnosis, and treatment options for various types of cancer. The program was **inclusive for all staff members—both men and women—** ensuring that the entire SVCE community gained valuable knowledge on this critical health issue.

#### **Key Highlights of the Program:**

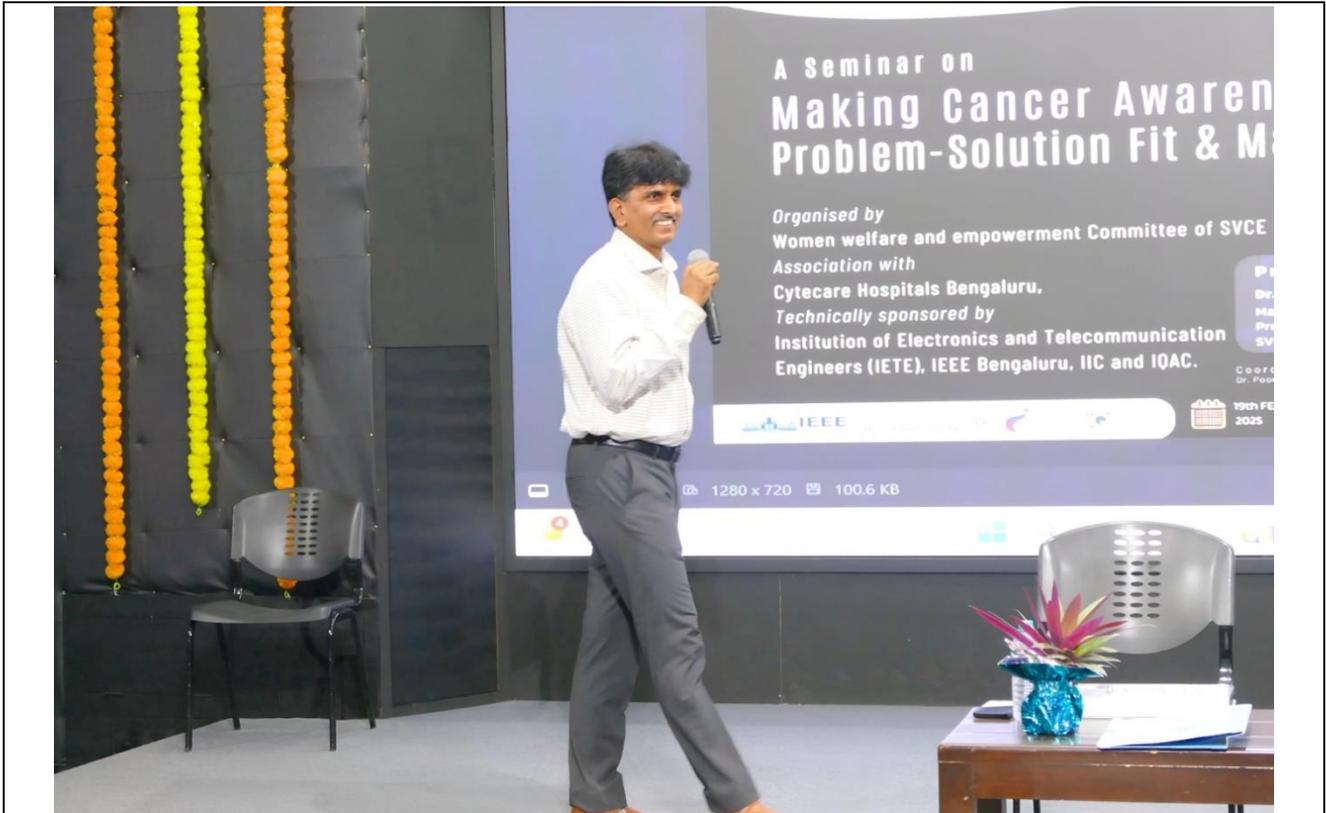

- **Understanding Cancer:** Overview of common types, causes, and risk factors, including lifestyle and environmental contributors.
- **Early Detection:** Importance of regular screenings, recognizing warning signs, and seeking timely medical advice.
- **Preventive Measures:** Adoption of healthy lifestyle habits, balanced nutrition, exercise, and stress management to reduce cancer risks.
- **Treatment Insights:** Latest medical advancements, personalized treatment approaches, and the role of supportive care.
- **Workplace & Community Awareness:** Encouragement for staff to act as awareness ambassadors, promoting healthy practices in both personal and professional environments.

#### **Benefits to the SVCE Community:**

- Empowered staff with accurate, medically validated information on cancer.
- Created awareness on preventive healthcare practices applicable to all genders.
- Fostered a culture of health consciousness within the institution.
- Equipped attendees with knowledge to support early intervention and reduce cancer-related risks.

This initiative reflects SVCE’s commitment to **holistic staff welfare, preventive healthcare education, and fostering a supportive, health-conscious campus environment**
