LIVEWIRETM
FOR LIVE CAREERS

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MOU)

By and Between

LIVEWIRE promote niche training in IT, Electronics & Electricals creating experts for emerging technology industries and specialist technology jobs. A part of CADD Centre, which is Asia's largest CAD/CAM/CAE training institute, LIVEWIRE is present in 100 locations across India at 6 Countries.

LIVEWIRE, Yelahanka, Bangalore having its office at Door No. 692, II Floor, Yelahanka New Town, Aishwarya Complex, Sector - A, 3rd Phase, Opp To Seshadripuram College, Bengaluru, Karnataka 560064 (hereinafter referred as "LIVEWIRE" for the sake of brevity) and represented by its **Business Head, Mr. Ashok Kumar R** (which expression shall mean and include its successors in office and assigns)

and

Sri Venkateshwara College of Engineering (hereinafter referred as "College" for the sake of brevity), an Engineering College recognized by AICTE and affiliated to Visvesvaraya Technological University having its campus at Chikkajala, Vidyanagar, Bengaluru Karnataka 562157, and represented by its **Principal** (which expression shall mean and include its successors in office and assigns)

Objectives of the Collaboration:

1. To provide employable skills to the student during their course at the college.
2. Make the student aware of the latest tools and techniques at an affordable fee in order to keep them *industry ready* at the end of their course.
3. Maximize placement opportunities for students from all the courses.
4. To build the confidence level of the student to face the challenges of the real time.

This Memorandum of Understanding is to conduct a **Unique, Systematic and Employable Skills Development Program** for the students of the college towards achieving the objective of maximizing the employable opportunities for students of the College.

This Memorandum of Understanding states the terms and conditions under which the **Trainings** shall be conducted by LIVEWIRE at the College premises and lists herein the respective responsibilities of both parties.

PREAMBLE:

For a student to be recruited by a good company, over and above the subject knowledge, he/she is expected to have the following:

1. Strong Fundamental Engineering Knowledge
2. Engineering related Multiple Technical Skills - Develop skills that add value.
3. Project Management & Operational excellence - Learn & Acquire the Skills
4. Communication & other Soft Skills

While Subject Knowledge would be provided by the college, LIVEWIRE will equip the students with required industry specific technical, project management and people skills.

On one hand, thousands of unemployed Engineering graduates are not finding suitable jobs, while on the other hand, Industry requires millions of young minds at all levels but are unable to find the right candidates. This is because of the skill gap that exists between academic institutions and industry requirements. This skill gap is sought to be minimized for the students of the "College" by facilitating them to acquire the appropriate and relevant skills at the college itself.

Through this collaboration, LIVEWIRE will prepare the students of the "College" to be ready for industry by the time they enter the final semester and for this the students have to be nurtured and trained in different areas from the very beginning. Keeping in mind the academic program and the progressive skill development cycle in mind, the programs are spread across their semesters.

LIVEWIRE Shall Provide

- The required trainers for the course and the training program would be Instructor led.
- Comprehensive LIVEWIRE reference books to all students for each course as part of the course.
- Periodical assessment on the progress of students for their further improvements.
- The 'Certificate of Completion' to every student who successfully completes the training program every semester.

- "Certificate of Association" from LIVEWIRE to the college
- Provide Permission to use LIVEWIRE logo as the Skill Development Partner
- Organize Campus and Off-Campus interviews for the final year students based on the requirements for LIVEWIRE and its clients
- Welcome College to use **LIVEWIRE**, strategically based on the need

The College Shall Provide

- The required number of computer systems in the lab and other required infrastructure for the practice and its maintenance.
- The Class rooms with LCD projector for the theory classes.
- The Schedule with the classes for this training during normal hours of the college.
- The supports to ensure, all students in a class, attend the training programs scheduled for them.
- Disciplinary support for the smooth conduct and timely completion of the entire course.
