8th-10th Oct 2020

AICTE Sponsored 3-days online workshop On "Personality Development planning skill and Entrepreneurship training"

Under Samridhhi -Scheme

The broad objectives of the programme is to provide opportunity to students in the Institutes to reorient themselves in the light of emerging employment opportunities in Engineering undergraduate/Diploma students at all level. It is to empower the students by providing special skill trainings apart from regular study. To enhance the skills of students with help of modules on communication, personality development and proficiency in English language. It will boost the confidence of students and provide them with better career opportunities so that their employability in the industry increases.
