

MEMORANDUM OF UNDERSTANDING

BETWEEN

Sri Venkateshwara College Of Engineering
and
iCLUB INDIA

PREAMBLE

iCLUB INDIA – The concept of iCLUB is very unique so the vision is revolutionary. The vision of iCLUB is to change the time taking and complicated way of job findings in a simple and interesting way. The iCLUB offers the job information, preparations for jobs and many other facilities in a single application. The long term direction of the iCLUB is to bring the job seekers, employees and Employers internationally under a single roof of a professional club.

India's first rated **VIDEO PROFILE** A revolutionary concept in Indian JOB market helping Job Seekers and Employers to save time and money. **iCLUB** Recruitment Team will make Video Profile and Experts will give ratings and forward the Video profile to all the companies, consultancies, recruiters, helping job Seekers to present Virtually in more companies at a time. The specialty of iCLUB is to make them aware of their skills through JET (Job Eligibility Test). Our superior service offering is enabled by the combination of deep business insights, superior assessment and unparalleled reach among quality candidates.

MBA - SVCE - For over decade SVCE has provided peerless academic, administrative and pastoral support to students hoping to succeed and beyond. From academic aspirations to the simple day-to-day challenges of living, we understand the importance of every part of the student journey.

SVCE is about much more than just teaching; we are driven by the desire to help our students find their own path to a lifetime of success. We do this by focusing as much on the personal development of our students as we do on their academic results.

We make the SVCE experience as valuable and enjoyable as possible. But we never forget that, at some point, you'll leave us. That's when the emphasis we place on your future employability pays off. From work placements on modules to support from our dedicated Placement centre, we'll do all we can to help you make the transition, from the world of study to the world of work, as smooth as possible.

In order to achieve the mission, Sri Venkateshwara College Of Engineering put forward

Santhya UK

AW

a strategic portfolio of the objectives

- Recruiting and retaining quality faculty by sourcing from institutions of high repute.
- Providing Quality education to the students in a value-based academic environment.
- Providing state-of-the-art infrastructural facilities in classrooms, laboratories, workshops and research.
- To be a renowned Institution for placement of students by National and MultiNational corporations.
- To empower each individual student to face all significant issues with an objective and optimistic frame of mind.

Jointly agree to exchange their expertise for mutual benefit and growth on the terms mentioned hereunder.

SCOPE OF COOPERATION

Both the parties believe that cooperation would be of major benefit mutually to the Company and Institution. Accordingly the following objectives are identified

- Regular exchange of resources and knowledge.
- Tapping potency which contributes mutual benefit.
- Joint effort to identify avenues for development

The above objectives are to be accomplished through the following fields.

VISITS ON EITHER SIDE

The Company will provide the students of the Institution to undertake Industrial Visits for practical exposure.
