

SCIENCE CLUB

Objectives of the club:

Club aims to:

- Share their imaginations and talents with peers.
- Provide a platform for students to express themselves.
- Organize events throughout the year.
- Enhance the skills of the students.

Need of science club/Purpose

- It is necessary for students to have an outlet that is not necessarily academic and share with group of students who have common interest.
- To build new friends and hone leadership and professional skills and learn to organise and advertise events.

Agenda:

- The club members/student members will meet fortnight to schedule activities.
- Organize science activities for the college.

Proposed events:

It is proposed to conduct events throughout the semester.

Seminars	Project submission	Literary events
Lectures	debates	Science day celebration
Quiz	Preparing mini projects	Creative writing
charts, models, postures	Debate	Essay writing
To actively encourage the use of engineering technology in science		

Teachers in charge of this Club are Dr. Kavitha. B. N, Mr. Ranjeeth. N, and Dr. Pratibha. S

The following students are the office bearers for Science Club

1	VIVEK M	4th Sem	ISE
2	LIKITHA N	4th Sem	ISE
3	MEGHANA HK	4th Sem	ISE
4	NAVEEN MYDAUGALAM	4th Sem	ISE
5	GAUTHAM KUMAR TM	2rd Sem	ECE
6	RAJU SR	2rd Sem	CSE
7	HARSHITH M	2rd Sem	CSE

Facilities provided from the Science club are:
