Appointment of Counselor

Our Institution has a well-established mentor mentee system in which all faculty members acts as mentors except Programme coordinators, HoD's and Principal, will have approximately 18 -20 students. The Student Welfare & Counseling committee will oversee all the process and all counselors will meet at least weekly once to discuss Professional guidance, Course work specific & Laboratory specific information. At Institute level a Counselor Book is been created to record and maintain the following information of all student

- Academic Performance
- Co-Scholastic activities participation and achievements
- Extra-Curricular activities participation and achievements

As per the mentor-mentee allocation the mentor will address the student every week and support the mentees in the following

- Programme Accomplishments
- Carrier Guidance
- Health, Safety and Security

Apart from the above said we also have the following value-added services to the students

- All the students of the college are coming under this system from the date of joining the college. A complete track of the student activities like Academics, Curricular, Co-curricular
- Extra-Curricular achievements, Social activities and the details of Parent
- Meetings are registered in the system.
- A Mentoring Register has been distributed to all the faculty of the college.
- Faculty will have a meeting with the students periodically and their Academic

progress and all his/her activities are discussed and noted in the register. If any

- discrepancies in the student behavior like Attendance etc. will be questioned and will be counseled with care.
- Faculty will be submitting the attendance register to the higher authorities like Head of the Institution/Programme coordinator to scrutinize critical cases and to suggest corrective measures.

Methodology To Identify Slow Learner Students

The slow learner students are identified from their participation in classroom discussion, academic performance in the tests and University exams.

- Department arranges remedial lectures for slow learner students in all the courses.
- Teacher informs the parents regarding improvements in the performance of their ward on regular basis.
- Attempts are made by the teachers to give personal attention to these students.
- Tutorial classes are conducted to improve their performance.
- Participative and progressive slow learning students are given chance to improve team work
- Ability by participating in clubs and appreciate their efforts.
- Making groups in every activity by mixing slow learners with fast learners.
- Language laboratory is introduced to improve their communication skills.
- Meditation classes are made compulsory to improve their concentration in the study.
